

VEHICULAR PALETTE

JESSE SUGARMANN

INSTRUCTIONS:

- 1) Ask members of your family what kind of cars they've owned and when. Make a list.
- 2) Select a timeframe for your data
- 3) Choose an element of the car you would like to focus on
- 4) Take these elements and create a data visualization system
- 5) Share using #theartassignment
- 6) Fame and glory (Your work might be in a future episode)
